Hall Mountain VFA - Hall #1

BUY A BRICK PROGRAM

Hall Mountain VFA is raising money to help with the construction of the new fire hall in Porthill, Idaho. The current hall is out dated and too small to house the larger fire fighting vehicles and equipment currently being used. All money raised from the "Buy A Brick Program" goes to the construction fund to help pay for the construction costs of building Hall #1. The personalized bricks purchased will be erected in a landscaped wall display for the entire community to view.

The bricks are available in two sizes:

4" x 8" brick for \$100 8" x 8" brick for \$185

Yes, we'd like to reserve a permanent brick. Please engrave our brick as follows:
