

PPP Oct 28

Friends of Valley View,

Parent-Teacher Conferences will be held next week!!!

These, **most important meetings**, are designed to help us work closely together for the benefit of your child! The coordination of services, both in the home and within the school, is critical for the academic success of all our students. If you cannot make the assigned conference date, we will call to reschedule.

The PTO Book Fair and Celebration of Reading was a great success! Total book sales came to \$5,595.65. Thanks to the generosity of many, \$1,800 was spent on books for teachers and classroom libraries. The spaghetti supper was outstanding! The guest readers were a hoot! Special thanks to our readers: Julie Colson, Patty Burlingame, David Brinkman, Donna Kent, Kathy Schnuerle, Peggy Buehler, Teri Neumayer, Ellie and Shannon Rogers. **Literacy WINS!**

Make sure to look over the list of upcoming events. **Here are some notable calendar changes and additions.** This weekend the PTO needs the help of strong men and women. On Sunday, the 2nd from 8:00-12:00, we will fill and sell sandbags for cash. We NEED your help! As incentive....you will get paid in pizza! There is no school on Veterans Day, November the 11th. The students will celebrate our Vets on Monday, the 10th. Thanksgiving vacation is only November 26 and 27, not the whole week as done in the past. See below for more info!

Upcoming events
